Sealife Adventures - https://sealife-adventures.com/	David Ainsley (Master)	<p>Sealife Adventures run whale search and wildlife watching boat trips from our pontoon on the mainland near Oban on the west coast of Scotland.</p> <p>The area is exceptional for porpoise, minke whales, dolphins, basking sharks, otters and seals. Bird watching highlights include sea eagles, golden eagles, puffins and a great variety of seabirds.</p> <p>The Firth of Lorn Special Area of Conservation / Marine Protected Area is one of the few sites in Scotland to have enjoyed a high level of long term protection.</p> <p>We run 3, 4 and 5 hour tours, all of which visit the Corryvreckan whirlpool.</p> <p>All ages welcome!</p>
Hebrides Cruises - https://www.hebridescruises.co.uk/	Robert Barlow (Master)	<p>Witness the rare wildlife and stunning scenery of the west coast of Scotland, the Hebrides and St Kilda aboard our specialist wildlife cruises, with expert Crew and luxury vessels.</p> <p>We are the only Scottish small-ship cruise company that provides accompanied on-shore guided trips, with a specialist Wildlife Guide on board every cruise. The amazing wildlife on land, sea and air in the Hebrides is not always accommodating enough to pop up when we want it to! Our Skippers and Wildlife Guides are expert at reading the sea and landscape, backed by years of experience and knowledge in finding and identifying wildlife in the Hebrides.</p>
Selkie Explorers - https://www.selkie-explorers.com/ Isle of Eigg	Celia Bull	<p>Selkie is available for bespoke voyages for your family or groups of friends. Book a trip at a time that suits you to explore the beautiful coastline of Scotland's islands and its lochs, anchoring in exquisite bays each night. Depending on your length of stay aboard, we can visit St Kilda, the Outer</p>

		<p>Hebrides, the Small Isles, Skye, Col and Tiree, or sail north to the Summer Isles and Shiants.</p> <p>The wild life we see is incredible, as are the vistas. It's a special time spent together, sharing the experience. And everyone on the trip will enjoy delicious, home-cooked food, sourced locally.</p>
<p>The Majestic Line - https://www.themajesticline.co.uk/</p>	<p>Catriona Craig</p>	<p>Escape to another world on a Scottish cruise</p> <p>The Majestic Line offers 13 exclusive cruise itineraries aboard our fleet of four ships to the most beautiful and secluded parts of the west coast of Scotland and the Hebrides. Choose from 3-night, 6-night and 10-night cruises. Many of our guests return year after year to explore more of these idyllic coastlines and islands. Private cruise charter is also an option for a special gathering of family and friends.</p>
<p>Sea Life Surveys - https://www.sealifesurveys.com/ Tobermory, Isle of Mull</p>	<p>Richard Darby</p>	<p>Sea Life Surveys has offered scenic boat tours and whale watching cruises from the Isle of Mull for over 37 years.</p> <p>The variety of species that we regularly encounter, including minke whales, basking sharks, common dolphins, bottlenose dolphins, harbour porpoise, seals, white-tailed eagles and an abundance of seabirds, makes the Hebrides the number one whale watching destination in the UK.</p>
<p>Hebridean Whale Cruises - http://www.hebridean-whale-cruises.co.uk/ Gairloch</p>	<p>Nick Davies (Master), Steve Truluck, Veerle Van Den Bossche</p>	<p>What you can see The North Minch is one of Britain's richest and most diverse marine wildlife environments. Many creatures are resident, many others are just passing through. The Minke Whale is commonly seen offshore in high summer and is occasionally spotted inshore later in the season.</p> <p>The Humpback Whale can occasionally be found offshore from June onwards and the Killer Whale, resident in these waters, may be seen at any time of year.</p>

		<p>Rare sightings are possible. Early and late in the season some great creatures of the deep pass through our waters, like the Sei Whale (pictured above) and Sperm and Fin whales. And in the summer months, Northern Bottlenose and Long-Finned Pilot whales have occasionally been seen offshore.</p> <p>There is a good chance that you will see the diminutive Harbour Porpoise inshore and, from time to time, the Bottlenose Dolphin.</p> <p>Both animals are also found offshore, as is the Common Dolphin, a regular deep-water summer visitor.</p> <p>The larger Risso's Dolphin is occasionally seen cruising offshore waters and there is a chance of less-common sightings of Atlantic White Sided and White-Beaked dolphins.</p>
<p>Arisaig Marine – www.arisaig.co.uk</p>	<p>Ronnie Dyer (Master)</p>	<p>From Arisaig you can sail to the islands of Eigg, Muck & Rum aboard the M.V. Sheerwater with time ashore to explore these beautiful and contrasting islands.</p>
